Entry Requirements

Grade 12 National Senior Certificate (NQF 4)

Note: If you do not hold a level 4 NQF you can apply to study our Fitness Instructor Certificate NQF 4. Successfully completing this will provide you access to the Higher Certificate NQF 5 programme and a pathway into more advanced programmes and further opportunities.

Course Overview

Personal Trainer is an occupational skills programme which provides 87 credits towards the National Certificate in Fitness (NCIF).

The Personal Trainer course is your shortest route to becoming a personal trainer and qualifies you to work internationally.

Personal Trainer is a comprehensive qualification in personal training and includes fitness principles, injury prevention and programme design to help your clients safely and effectively reach their fitness goals.

Note: If you wish to reach the Diploma in Fitness (NDIF) level in the future then we suggest that you register for the NCIF (or NDIF) which are full National qualifications. The NCIF leads to

the NDIF or alternatively you may register for the full NDIF which includes the NCIF modules in part 1.

Accreditation

- Registered by the Department of Education (DOE) and accredited by the Higher Education Quality Controls & Training Committee (HEQCTO) and the Council for Higher Education (CHE)

Learning Outcomes

On achieving this qualification, the learner will be able to demonstrate the following outcomes as applicable to apparently healthy* individuals:

- Demonstrate knowledge of the fitness environment and the context in which physical activity takes place.
- Conduct and interpret pre-participation screening for physical activity readiness.
- Assess, evaluate and monitor health related fitness components.
- Feedback and refer as it relates to physical activity.
- Design, demonstrate and lead exercise programmes.
- Implement, monitor and modify exercise programmes.
- Motivate and support fitness participants in making activity related and wellness decisions.
- Demonstrate entrepreneurial, administration and business skills.
- Project and conduct oneself in a professional manner.

Learning Pathways

- National Diploma in Fitness
- National Certificate in Sports Management
- Nutrition Advisor

HFPA Online Learning Platform (Olp)

All students are given access to our advanced and interactive Online Learning Platform.

You are never alone when you study online with us! The HFPA OLP has been carefully developed to bring you all the benefits of a traditional classroom setting, facilitating interactive learning through multi-media lessons, videos, quizzes, questionnaires, forums, links, presentations, journals, assignment and exam submissions and more!

You will receive constant communication and feedback from your very own Online Tutor and steadfast support from our dedicated online-support team.

The workshops offered for online+workshops students serve as revision sessions in which you can ask questions, revise key concepts and receive hands-on guidance from our master trainers.

Campuses/Study Modes
